INDUSTRIAL CONTROL SYSTEMS (ICS) SECURITY WORKSHOP

National Institute of Standards and Technology

September 24th, 2010

NIST will hold an Industrial Control Systems Security Workshop at the Hilton Washington DC/Rockville Hotel & Executive Meeting Center to discuss NIST Special Publication updates relating to industrial control systems security. The workshop is free and does not include food; however, attendees may purchase food through the hotel. Seating is limited to 100.

Who Should Attend:
Individuals with responsibility for management/oversight, development, implementation, operation, and/or security assessment/monitoring of industrial control systems.

Agenda:
See next page

Location:
Hilton Washington DC/Rockville Hotel & Executive Meeting Center
Regency Ballroom
1750 Rockville Pike
Rockville, Maryland, 20852-1699
Tel: 1-301-468-1100
www.washingtondcrockville.hilton.com

Directions are provided on the Hilton website. The Hilton is near the Rollins Avenue/Twinbrook Parkway Intersection. Parking is available for a daily fee of $12.

Metro:
The hotel is near the Metro Twinbrook Station on the Red Line towards Shady Grove Road.

Registration:
Please register through nistics@nist.gov and provide your name, affiliation, phone number, email address, and food selection for the hotel (see below).

Attendees may purchase coffee/breakfast from the hotel's Twinbrook Grille and box lunch tickets may be purchased on-site before 10AM for $15 plus 6% tax. The box lunch selection consists of three options: (1) turkey Swiss sandwich, (2) grilled vegetable wrap, and (3) chicken Caesar wrap. All would be accompanied with a combination of chips, pasta salad, and a drink. When registering please select numbers 1-3 or (4) not interested in purchasing the box lunch.
